The bottom half is white with a thin blue line separating it from the top. It contains two paragraphs of text and a small blue square icon on the right side.

#### Al-Noor Rami

Mr. Rami brings extensive industry, domain and operational experience arising from management positions in large, complex enterprises, enabling him to provide invaluable insights to the challenges facing Digital Engineering firms with respect to both the markets and clients they serve. Additionally, as the Chief Digital Officer of Prudential PLC, Mr. Rami has deep knowledge of what enterprises are doing to transform themselves digitally, has deep knowledge with both IT Application outsourcing companies and Digital Engineering firms and clearly represents the voice of the client.

#### Joseph G. Doody

Mr. Doody brings sophisticated business experience regarding the planning, business development and strategic management of complex, global organizations. Mr. Doody's deep business experience, go-to-market and sales management knowledge is a tremendous asset as we continue to scale our platform. Additionally, Mr. Doody's background and experience with North American and international markets, his in-depth knowledge of our target industries and first-hand knowledge of building balanced client portfolios are of significant importance as we execute our Three Pillar Strategic Plan.

We believe we have the right Board and strategy in place to win in the moment, for shareholders and clients, and sustain leadership going forward in a world where Information Technology has never been more important.
